Youth Race Team

Every year, Freewheelin' Community Bikes hosts an annual breakfast to celebrate our accomplishments and educate the community about the programs we provide to youth and the residents of our neighborhood. Through this breakfast, we are also able to thank the many supporters that assist us in fulfilling our mission.

About Our Program

Freewheelin' Community Bikes is a 501(c)3 youth development organization that uses bicycles as the tool for internal and community change with underserved youth in our community. We are led by a highly professional board with grassroots sensibilities. We promote, education, fitness, and community through diverse programming, including:

- Signature Earn-A-Bike program for youth age 10-18
- Youth Employment Apprenticeship Program for young adults aged 14-22 to learn employment and career skills
- Youth Riding and Race teams to continue taking the skills they have learned into life and on the road

Freewheelin' Community Bikes is a true social enterprise, supported in part, by our full-service retail bicycle shop.
